DOCKET NO. W-01445A-10-0517

**REQUEST FOR AMENDMENT TO
PROCEDURAL ORDER CONCERNING
PUBLIC NOTICE**

On July 15, 2011 presiding Administrative Law Judge Sarah N. Harpring entered a procedural order (the "Revised Order") to modify the procedural schedule in this docket. The Revised Order also made some related revisions to the June 28, 2011 order establishing a procedural schedule and included provisions for Arizona Water Company (the "Company") to give public notice to customers.

Except for revising the dates in the public notice form in the Revised Order, the manner in which notice is to be provided and the dates for completing the notice are the same as those provided in the June 28, 2011 Order. After reviewing the Revised Order, the Company was able to retrieve and cancel the mailers that were going out with the July billings, which contained the

1 now-superseded schedule. However, in preparing to comply with its provisions concerning
2 public notice of the revised schedule, the Company has discovered that:

- 3 1. The Revised Order deadline requires that the Company mail a copy of the notice as
4 a bill insert (Revised Order, page 9, lines 1-4) to approximately 30,600 customers
5 no later than August 15, 2011.
- 6 2. Because the Company's customers live in different districts and receive their bills
7 at differing times during the month and the date on which the Revised Order was
8 issued, a small number of those customers (approximately 6,000) cannot receive
9 the Revised Order schedule in their monthly bill until after August 15, 2011.
10 However, the time lag to send these Revised Order notices with the next months'
11 billing cycle will only be a few days.
- 12 3. The estimated cost to the Company to send a copy of the notice by special mailing
13 to the approximately 6,000 customers by August 15, 2011 would be over \$2,600.
- 14 4. If the August 15, 2011 notice deadline is extended to August 22, 2011, the
15 Company can mail a copy of the notice as a bill insert to each of the 30,600
16 customers, as intended by the June 28 Order and the Revised Order.

17 The Company believes that a minor revision in the notice schedule, as described above,
18 would not be adverse to any of its customers or any of the parties to this docket, and that it would
19 be in the public interest.

20 CONCLUSION

21 For the foregoing reasons, the Company requests that the Revised Order be amended to
22 extend the date for the Company's completion of public notice from August 15, 2011 to August
23 22, 2011.

1 RESPECTFULLY SUBMITTED this 19th day of July, 2011.
